iOS Developer

Despre mine

As a dedicated developer with hands-on experience in Swift and SwiftUI, I excel in delivering impactful and innovative solutions. I am capable of developing entire projects from scratch to deployment by myself, and I thrive in collaborative environments, working seamlessly with other developers to achieve project goals.

Experiența profesională

Lead IOS Developer · Midnight works
August 2023 - Prezent · 1 an 4 luni

Leading the projects by overseeing the entire development lifecycle, assigning roles and tasks, providing practical and technical support to ensure successful implementation of the projects

Competențe: Lucrul în Echipă, Managementul Echipei, Mobile Application Software

IOS developer · Demax NND · Kiev
Mai 2023 - Ianuarie 2024 · 9 luni

Developed iOS projects completely from scratch, overseeing all stages from initialization and implementation to deployment to the App Store. All processes including coding, api and service implementation and deployment were performed independently to ensure successful release of the app.

Competențe: Git, Firebase, Figma, Mobile Application Software

FrontEnd developer - Internship · JSC Lenstroytrest · Saint-Petersburg
Ianuarie 2023 - Iunie 2023 · 6 luni

Assisted in the development and implementation of projects using React, while excelling in conducting economic analysis to evaluate the financial impact and feasibility of IT projects. This role involved a thorough assessment of project viability and cost-effectiveness, ensuring informed decision-making and successful project outcomes.

Competențe: ReactJS, JavaScript (Programming Language), React Native, Economic Analysis

Domeniul dorit
