UX/UI Designer

About me

I am a UX/UI designer with ambitious goals and a passion for creating interfaces that provide the best user experience possible. I have a creative mindset and strive to improve the interaction between user and product, considering aesthetics, functionality and ease of use.

I have studied Figma, Photoshop, Blender, Adobe Illustrator. In my free time I like to learn new technologies and improve my skills.

I am ready to work, learn, get better and grow every day together with great people.
