Mobile Developer

Despre mine

Experienced software developer with three years of expertise in mobile application development. Skilled in creating robust, user-friendly apps for both iOS and Android platforms, with a strong focus on delivering high-quality code and excellent user experiences.

A part of skill's that i developed:

- Knowledge about Design Patterns;
- Knowledge about Programming Principles (SOLID, POO ..);
- Knowledge about Architectural Patterns (MVVM,MVI ..);
- Work with Git and Azure;
- Work with Adobe software (Photoshop, Illustrator, Dreamwork ..);
- Good problem solving skills, testing and debugging;
- Strong communication skills and ability of listening;
- Good understanding of PC.

Programming languages that i used in development:

- Kotlin (Mobile Dev)
- Swift (Mobile Dev)
- Python (Server Side Dev)
- Java (Server Side Dev)
- C# (API Dev)

Trying my best in all kinds.

Very flexible and optimistic.

Experiența profesională

Full-Stack Mobile Developer · Cedacri International · Chișinău

Iunie 2021 - Prezent · 3 ani 11 luni

Contributed to the development of a white-label app both for iOS and Android in the banking sector, which has been deployed across multiple banks and has achieved over 3 million total downloads.

Carried out regular performance optimizations, introduced enhancements, and fixed issues to improve application functionality and user experience.

Developed Android / iOS applications that communicate with backend services through REST APIs.

Data Analytics and work with big data flow based on Python with PySpark extension.

Competențe: Architectural Patterns (MVVM, MVI ..), Programming Principles, Git, Azure, Good problem solving skills, Team Work, Dagger, SQL, Testing and debugging, Kotlin, Swift, Java

Designer · Print Lider · Chișinău
Martie 2021 - Iunie 2021 · 4 luni
