Storekeeper

Despre mine

My Name Is Afaq Ahmad.

I Belong Pakistan.

I completed my secondary college Education in 2019.

I belong to a middle-class family, my family we are 5 members including me.

My father is a servant and my mother is a housewife.

My short-term goal is to get a job in a company I can improve my experience and skills.

My long-term goal and dream I work in the private sector so I can build my career and help to the organization.

My strength is I am a self-motivated, hardworking and honest person.

My hobbies are learning something new and doing something new.

That's all about me.
